Depending on existing bookings, we may not be able to offer you your preferred booking time. During busy periods, such as school holidays and exhibition openings, we do request you arrive promptly for your booking.

Payment options

We offer one bill per table for groups with cash or credit card – if you prefer guests to pay separately, we suggest you encourage your guests to bring cash on the day. Package menus, dietary requirements & final guest numbers

For groups of more than 10 guests, we cannot offer a group booking without a menu package selection. If your group prefers to order and pay separately, the food and beverage orders for your table will not arrive together. If you prefer your food and beverages to arrive together, we suggest you select from one of our group dining packages, to allow us time to prepare for and serve your group.

We can accommodate most common dietary requirements with notice. Please include this information when booking your group with us, updating us when you supply your final guest numbers.

Final guest numbers are required three full business days before the date of your booking. We cannot guarantee your booking without this information.
