THE JOSEPHINE ULRICK AND WIN SCHULBERT FOUNDATION FOR THE ARTS COLLECTION

Win Schubert, AO (1938-2017) established Art Galleries Schubert in 1985 on the Gold Coast, Queensland. Art Galleries Schubert specialised in traditional, modern and contemporary art until its closure in 2009. Mrs Schubert, AO, has made many generous donations to QAGOMA including a group of paintings by Ian Fairweather and Cai Guo-Qiang's extraordinary installation [Heritage 2013](#). QAGOMA's Research Library was fortunate to be gifted an extensive collection of Australian art books, exhibition catalogues and journals.
