

APT10 & APT10 KIDS LOW SENSORY VIEWINGS

Tue 18 Jan 2022 | 9.00am – 12.00pm | GOMA

Tue 18 Jan 2022 | 10.00am – 12.00pm | QAG

Wed 2 Feb 2022 | 5.15pm – 7.00pm | GOMA

Low sensory viewings offer an opportunity for visitors with autism, sensory sensitivity or disability to experience the Gallery in a relaxed, quieter environment. APT10 and APT10 Kids are free and are located in across both GOMA and QAG buildings.

GENERAL INFORMATION

- In accordance with Queensland Government guidelines, everyone aged 16 years and over must show proof they are fully vaccinated or have an exemption. Contact tracing details are also required to enter the gallery.
- While facemasks are not currently mandatory, Queensland Health recommends wearing them in crowded spaces or when physical distance cannot be maintained. Check current guidelines before visiting.
- Certain items are not allowed in the Gallery. This is for safety of the artworks on display. You cannot bring in food and drinks, large items such as backpacks and sticky items such as putty. If you are unsure, check with one of our friendly staff members.
- You can store items that you are not allowed to take into the Gallery in the cloakroom located in each foyer
- You can take quiet sensory tools/stimming toys into the Gallery
- Please do not touch the artworks/objects on display. This can cause damage.
- Due to room capacity in the Children's Art Centre at GOMA we ask that prams are parked in a designated area nearby
- The air-conditioning vents in GOMA are at floor level. In QAG, the vents are in or near the ceilings.
- The temperature in the Gallery is maintained at between 21 and 22 degrees. This is the best temperature to conserve the artworks. You may like to bring an extra layer of clothing to keep warm.
- Some bathrooms have sensor lights which activate as you enter
- **Sensory floorplans for APT10 are available [here](#). For full building floor plans go to: www.qagoma.qld.gov.au/maps**

APT10

- APT10 is free and no ticket is required for entry. The exhibition takes up all of the GOMA building and some gallery spaces in QAG.
- The exhibition includes large scale installations, paintings, sculptures, photographs, textiles, videos, moving image and sound.
- You can take photos of artworks, but you can't use a flash
- For more information visit <https://www.qagoma.qld.gov.au/whats-on/exhibitions/apt10>

APT10 KIDS

- APT10 Kids is free and features seven projects across both QAG and GOMA
- It includes interactive projects, hands-on making and multi-media activities created by APT10 artists, especially for children and families
- For more information visit <https://www.qagoma.qld.gov.au/whats-on/kids/apt10-kids>

SENSORY EXPERIENCES

- Check the floorplans and look for signs in the gallery on the day
- Some areas within the galleries are brightly lit while others have low lighting
- Some artworks include bright colours and busy patterns
- You can wear a cap and/or sunglasses if you are sensitive to bright light
- There are a number of artworks with sound. Volumes will be lowered where possible.
- You can bring noise cancelling headphones if you are sensitive to sound
- Some artworks in APT10 may trigger emotions or memories
- There are quiet zones with comfortable seating in each building, refer to the floor plans. At GOMA, the quiet zone is the River Room on level 1. At QAG, the quiet zone is the Members Lounge on level 2.
