

SPONSORSHIP POLICY

Approved 18 August 2017
Queensland Art Gallery Board of Trustees

1. PURPOSE

This policy sets out the principles and procedures applied by the Queensland Art Gallery | Gallery of Modern Art ('the Gallery' or 'QAGOMA') when engaging in sponsorship arrangements, both incoming and outgoing.

This purpose of this policy is to assist QAGOMA in identifying and managing risks, and maximising benefits that flow from sponsorship arrangements, as well as outlining structures and processes for achieving good management and accountability.

This policy has been developed in accordance with the *Queensland Government Sponsorship Policy*.

2. SCOPE

This policy applies to all sponsorship arrangements entered into by the Gallery, whether for incoming or outgoing sponsorship.

3. POLICY STATEMENT

The Sponsorship Policy supports the Gallery to deliver on key objectives and strategies within its strategic plan.

To achieve its objectives, the Gallery:

- Works with tourism and media partners to secure financial and in-kind support for exhibitions.
- Develops existing partnerships and identifies new opportunities to collaborate on content development and program delivery.
- Expands its sponsorship support base and develops sponsorship options for a wide range of Gallery activities.

4. DEFINITIONS

The following definitions apply to this document:

Incoming sponsorship: when the Gallery receives monies or in-kind support from another party for an initiative and/or event.

In-kind sponsorship: the provision of goods or services to support or enhance an initiative at a reduced rate or free of charge.

Outgoing sponsorship: when the Gallery provides monies or in-kind support to another party for an initiative and/or event.

Sponsorship: the right to associate the sponsor's name, products or services with QAGOMA's product or activity, in return for negotiated benefits such as cash or in-kind support or promotional opportunities. It involves a negotiated exchange and should result in tangible and mutual compensation for the principal parties to the arrangement. Grants, funding, partnership agreements, bidding, donations, philanthropic gestures, bequests, gifts, purchasing or selling are not sponsorship.

5. POLICY/PROCEDURE/GUIDELINE ELEMENTS

5.1 PRINCIPLES

The principles underpinning sponsorship management at QAGOMA are:

- alignment with Queensland Government priorities
- alignment with Queensland Government *Sponsorship Policy*
- alignment with QAGOMA Strategic Plan
- alignment of organisational objectives, brand values and image
- appropriate sponsorship benefits
- value for money
- transparency
- ethical behaviour and fair dealing
- appropriate activity and association

When approaching, entering into, or reviewing sponsorship arrangements, the Gallery considers the legal and ethical dimensions of the sponsor's business operations.

Further, the Gallery also considers the weight of public opinion relating to such issues, particularly those that might be perceived as being adversely associated with the conduct of a sponsor's business or public affairs.

Where a strongly adverse and broadly based community consensus existed in respect of a particular business practice, notwithstanding it being legal to conduct that business – such as the selling of cigarettes – the Gallery will not consider entering into a sponsorship arrangement.

Where the line is less clearly drawn, and the business practice is a legal but more inherently controversial one, the Gallery will undertake due diligence and risk management review, and if warranted (after review by the Gallery's Executive Management Team) will take action to discontinue or dissociate itself from that sponsorship if the community consensus on the relationship damaged or had the potential to damage the integrity of the Gallery's reputation.

The Gallery recognises that complex, dynamic relationships with organisations and individuals play a critical part in today's public sector environment. The Gallery seeks to build successful sponsorship arrangements based on mutually agreeable objectives and beneficial outcomes for each party.

5.2 EXCLUSIONS

QAGOMA will avoid entering into sponsorship agreements with enterprises which are considered to:

- diminish, or are seen to diminish, public confidence in QAGOMA or the Queensland Government
- have the potential to reflect negatively on QAGOMA or the Queensland Government
- discriminate on the basis of race, sex, age, disability or religion

QAGOMA will avoid entering into sponsorship agreements that might be perceived to endorse an organisation with unethical, unprofessional or unviable business practices, or who produce or offer goods or services that may be harmful to users or of inferior quality.

Examples of industries or products that will not be considered as sponsors include:

- tobacco products
- firearms/weapons
- pornography

The Gallery retains the discretion not to accept sponsorship from any entity for any reason.
